

ADOPT A HOUSE

Habitat for Humanity is about to start building our 14th house in the Hemet San Jacinto community, and we have the land, thanks to the city of Hemet, to build five more. Everyone knows that the cost of living has risen and the cost of materials to build has skyrocketed. Everyone can help with a piece. As the house progresses we will mail you a picture of the part or piece you have ADOPTED, with a certificate and a final picture of the house, once completed.
